

Bio Takeout Coffee Cup - 350 ml

The UK manufactured Bio Takeout Cup. 350 ml Bio Recyclable. It's special because unlike other plastics it breaks down much faster if it ends up in landfill or the ocean. Once disposed of, in a few years it becomes food for microbes leaving behind no microplastics, just natural remnant. The Pantone of the Lid and Tumbler is 7499C.

The Universal Bio is microwave and top-rack dishwasher safe, BPA free and double-walled to keep drinks warmer for longer.

Double-walled construction with twist-on lid. No need for heat sleeve.

Available in natural colour only.
